When creating activities in EZReports, you must choose one Annual Performance Report (APR) activity category from the list below:

Activity Categories

Academics
Science, Technology, Engineering and Mathematics
Literacy Education
Academic Enrichment
Activities for English Learners
Enrichment
Healthy and Active Lifestyle
Well-Rounded Education Activities
Services for Individuals with Disabilities
Telecommunications and Technology Education
Expanded Library Service Hours
Cultural Programs
Character Education
Drug and Violence Prevention Counseling
Assistance to Students who have been Truant, Suspended, or Expelled
College and Career Readiness
Career Competencies and Career Readiness
Other
Activities under Other category will not be reported in 21APR Reports

Programs often find that some activities do not fit well into any single APR-required category, or that choosing just a single APR category does not sufficiently describe the activity. Please use the focus categories listed below to provide a more accurate description of the activity. You can choose up to three focus categories. If you choose more than one, include an estimate of the proportion of time in the activity devoted to each focus.
